### and what have you

by BOB CRAIG

I don't know how many of our local people attended the Abilene Jaycees' Anti-Communism Seminar Friday and Saturday but I hope several of our church and civic leaders were at least there for some of the sessions.

Unless you attend a meeting such as this or do a considerable amount of reading on the subject you don't realize how much of the battle of the Third World War we have already lost. One of the significant facts brought out during part of the session was that we won't have a Pearl Harbor to rally our nation to the cause of freedom.

Very few people can comprehend the type of war being waged with the communist, if it was a shooting war instead of a battle for men's minds we would do something about it instead of sitting back and losing by default.

From the small beginning, 17 men in 1917, communism has grown to where they control over half of the world's population today and have effectively infiltrated a large percentage of the remaining countries.

If you don't think they can take over the U. S. you should see the film, "Operation Abolition," House Un-American Activities film on San Francisco student riots, where thousands of students tried to stop the house committee from meeting in San Francisco. When you read of student riots over the world and think how stupid they must be to be misled into doing the communist's dirty work and that the educated people of America could never do this you would be sick to see American students demonstrating against law and order and on the verge of treason to the government.

The seminar pointed out that the only weapon we have to combat the threat is a renewed belief in God and our American Heritage.

The appalling thing was the lack of interest in the meeting. Only about 1,000 people attended out of the more than 100,000 in this area that should be concerned.

Several from Hamlin have expressed an interest in holding a similar type seminar here in the future. It is hoped that the Jaycees or some other organization will sponsor it.

A large number of people seem to have come to the conclusion that a sales tax is the only answer to the state's financial problems. This is quite a change from a year ago when no one was in favor of a sales tax. Evidently when people learned that the money would have to come from the average citizen, they decided that the sales tax would be better than an income tax or payroll tax because of the less likelihood of the big taxpayers finding loopholes in the law.

The problem now for those wanting a sales tax is that many of the legislators were elected in the last spring campaign on a platform of no sales tax unless the people let them know that they would prefer a sales tax over the other tax methods they won't vote for one.

The bill to let the people vote April 4 on what type of tax they would prefer may never get out of the committee in time to be passed. This bill would be the answer to those legislators who ran against a sales tax but now find many of their voters favoring the tax.

I noticed Sunday where the Abilene Reporter-News editorial writer raked Congressman Omar Burleson over the coals for voting against Sam Rayburn in his fight to enlarge the Rules Committee.

It seems to me their argument is pretty weak. They say they endorse the principle of "open government" rather than the practice of letting a few make decisions for the whole. When Mr. Rayburn changed the number of members on the Rules Committee did he "unpack" the committee (Continued on back page)

**DISTRICT CHAMPS** — The Pied Pipers will represent District 6-AA in the playoffs for the second straight year. The opponent and site has not been determined for the Bi-District game, but will be either Spearman or Childress. The game will probably be played Tuesday night. Pipers pictured above are: Top Row, L to R: Lanny Ford, Stanley Austin, Mac

Cade, Cecil Robinson and Tommy Sewell; Second Row, L to R: Coach Ed Farmer, Jerry Duncan, Jerald McCantles, Mike Bond, Robert Brandon and Coach Neil Laminack; Bottom Row: L to R Bill Richey, Van Newberry, and Larry Wade, manager. Tommy Sewell is no longer on the squad.

**STILL IN THE RACE**—The Hamlin Piperettes are still in the race for district honors, but must defeat Anson tonight to gain the right to compete for the championship. A win by Anson will give Anson the title. Girls pictured above are: Left to right; Mary Beth Hall, Pam Smith, Phyllis Scarborough, Diane

Bond, Arlene Waldon, Lagena Weaver, Jeannette Jenkins, Barbara Lakey, Zoon Wiengert, Mary Debs Roundtree, Suzanne Jenkins, Billye Blankinship, Anna Adams, Cheryl Brown, Janice Euckert, and standing behind the girls is Coach Ed Farmer. Diane Bond and Anna Adams are no longer on the squad.

## Pipers Win Title, Foe Undecided

The Pied Pipers will meet either Spearman or Childress in the Bi-District playoffs probably Tuesday night.

Hamlin won the right to represent their district Friday night when they defeated Spur here, 69-44. They added to their record Tuesday night by dumping Spur again, 75-46.

The outcome of district 5-AA, from which Hamlin's opponent will come, may not be decided until Saturday night. Spearman defeated Childress Tuesday night and must play Quanah Thursday. A win by Quanah will give the district to Childress, but a win by Spearman would put Spearman and Childress in a tie. This would require a playoff game which would probably be played Saturday night.

Superintendent C. F. Cook said Wednesday that although Hamlin traveled to Childress last year for the Bi-District game, this would not determine the site of this year's game should Childress win. Basketball does not come under the home and home rule that determines the playoff site for football.

The Piperettes will play the Anson girls here Friday night at 7:30 p.m. and a win by Hamlin would throw the district into a three-way tie between Anson, Spur and Hamlin. A loss by Hamlin would give the Anson girls the title.

Should the girls championship battle go into a three-way tie,

the three teams would play a two-game tournament to decide the winner.

The Pipers will play Aspermont here tonight (Thursday) in a warm-up game with the B team match starting at 6:30 p.m. and the A game at 8:00 p.m. This will be the fourth time this season for these two teams to meet. Hamlin won two of the previous encounters and is the only team to beat the Hornets this year.

The Pipers will carry a 22-6 season record into tonight's

game, they went through district with a 8-0 record. After winding up the district play the Pipers have poured in 1,718 points while holding their opponents to 1,368 points. They scored 494 points in district warfare and limited their opponents to 314.

The Piper's top scorers for both season and district play are as follows: Cecil Robinson, 432-109; Robert Brandon, 322-77; Stanley Austin, 239-51; Jerald McCantles, 238-50; Mac Cade, 213-138; and Mike Bond, 144-33.

## SALES TRAINING COURSE SET TO START HERE FEBRUARY 27

The market of consumer goods indicates this country will have a \$46,000,000 economy by 1961. One hundred seventy million people will have needs and wants to be satisfied. Taking these two predictions into account, a 17% increase in sales is forecast of the next ten years.

Will we get our share? These were the words of Fred C. Smith, President, Hamlin Board of Community Development and Curtis Dodd, Director, announced this special training program for Hamlin businessmen. The University of Texas will offer the sales training course entitled "Dynamics of or-in-Charge, Trade Development Committee when they are Selling" at Oil Mill Guest House from 7:30 to 10:00 on Monday, February 27. This course will help people who sell do a better job.

During the four-day program discussions will be held on how to secure and hold the customer's attention, how to satisfy the consumer's wants and needs through the use of proper job knowledge, and finally, how to help the customer make the proper buying decision.

## SCHOOL VOTE SET APRIL 1 FOR TRUSTEES

Date has been set for the election of trustees of the Hamlin Independent School District by the board at their regular meeting Monday night. The terms of two members have expired and are to be filled at the election to be held Saturday, April 1.

Trustees whose terms expire this year are Fred B. Moore Jr. and Revis Robertson. Both men have notified the board that they will seek re-election.

Candidates for the board must be qualified voters of the school district and must file with the board secretary, Richard Young Jr., on or before March 1 by 7 p.m.

The election will be held in the High School building with H. L. Williams serving as election judge. He will be assisted by Mrs. Brad Rowland and Mrs. C. C. Prater.

School trustee terms are for a period of three years.

## County TB Drive Nets \$1,785.50; \$762.50 from Hamlin

A report of the Christmas Seal Sale campaign was given at the meeting of the Jones County Tuberculosis Association held Tuesday evening in the Bryant Insurance Office.

According to the chairman of the sale, Mrs. W. L. Hunter the contributions amounted to \$1,785.50. Towns of the county participating were Anson, \$336.00; Avoca, \$66.50; Hamlin, \$76.50; Hawley, \$64.50; Lueders, \$73.00; and Stamford, \$483.00.

Although the overall amount was less than last year, Hamlin, Avoca and Hawley increased their giving this year.

John C. Bryant, president of the association, was elected Representative Director to the State Board and delegate for the annual meeting which will be held in Corpus Christi on March 16-18.

The next meeting will be p.m. at the Sirloin 66 Cafe, held in Anson March 23 at 7. At this time the new officers and directors will be elected for the next year.

## Police and Fire Call System Now In Operation

Mayor John V. Howard Jr. announced this past week that the city's new fire and police alarm system is now in operation and that the city now has men on duty 24 hours a day to take the calls and relay them to either the fire department or to the patrolman on duty.

The city hired three men to work eight-hour shifts and these men will handle both the phone calls and the radio calls. The system was worked out by the council after the need arose when the city's telephones were converted over to dial and a local operator was no longer available to locate the patrolman on duty.

## Cub Scout Blue And Gold Banquet Planned Monday

The annual Blue and Gold banquet for the Cub Scouts of Hamlin will be held Monday night, February 20 at 7:30 p.m. in the Grade School Gymnasium.

The banquet, for cub scouts and their parents, will be a covered dish supper affair. A magic program will be presented by Edd Croan as well as some of the cubs performing a flag ceremony.

Cubmaster Guy Weaver will serve as master of ceremonies for the banquet.

## MRS BROWN DIES AT HOME HERE MONDAY

Mrs. W. A. Brown, 70, resident of Hamlin for 53 years, died of a heart attack Monday at her home, 23 N. E. Ave. A.

Born April 13, 1890 in Colwell, Texas she was married to W. A. Brown on August 26, 1906 at Brush, Texas. Mr. Brown retired from the Celotex plant about a year ago after working there for 50 years.

Mrs. Brown was a member held Wednesday at 3:00 p.m. of the Faith Methodist Church where funeral services were with the Rev. Fred Brown, pastor officiating.

Hamlin Funeral Home directed burial in the Afton Cemetery.

Grandsons were pallbearers.

Survivors include her husband, two sons, Otha of Hamlin and W. A. Jr. of Denver City; five daughters, Mrs. J. T. Bennett of Hamlin; Mrs. N. B. Alexander of California; Mrs. P. J. Wiechowski of Houston; Mrs. George Gray of Stamford and Mrs. D. J. Yeary of Kermit; one sister, Mrs. A. G. Anderson of Hamlin; 21 grandchildren and four great-grandchildren.

## TO AID CHARITIES-- HAMLIN, STAMFORD JAYCEES PLAN WHEEL BARROW RACE

The Hamlin Jaycees have accepted the challenge of the Stamford Jaycees to a race from Tuxedo to each of the two town Saturday, February barrow derby with the two teams moving a yard closer to 25. The race will be a wheel town for each dime donated.

The Hamlin Jaycees will be raising money for the Heart Fund, West Texas Rehabilitation Center in Abilene and

## Fisher County Silage Meeting Planned Tuesday

A silage meeting will be held Tuesday, February 21, at 7:30 p.m. in the Agricultural building on the Fair Grounds in Roby, according to Fisher County Agricultural agent James Norman.

P. T. Marion, superintendent of the Agriculture Experiment Station, Spur, will talk on varieties, harvesting and storing and the feeding of silage.

Thomas Hunter, area farm manager specialists, will present some figure dealing with a budget of an acre of silage

Camp Sweeney, summer camp for diabetic boys and girls at Gainesville.

Project chairman Ed Lewis said that there will be road blocks set up at the McCauley Y on S. Central, and both West Lake Drive and N. Central at intersection of the two streets as well as on the highway coming into town from Stamford.

Plans for both Jaycee clubs call for the use of football boys to ride in the wheel barrows. A two-way radio system furnished by the National Guard will be used to relay the amount collected in town out to the teams.

Lewis stated that a canvass of the downtown district will be made and that although Stamford is larger he still feels the people of Hamlin can win.

Jerry Howard, local president, said in accepting the challenge that this would give the club of Hamlin a chance to group several drives together and eliminate the organization from calling on the people of Hamlin so many different times.

The drive will start at 10 a.m. and the clubs hope to finish up by 5:00 p.m.

## NEINDA RITES HELD SUNDAY FOR WINSLETT

Funeral services for Floyd Harrison Winslett, 67, were held Sunday at 2:30 p.m. in the Neinda Baptist Church, of which he was a member. Officiating were the Rev. Frank Codington, pastor, and the Rev. James Woods, pastor of Aspermont Baptist Church.

Burial in the Neinda Cemetery was directed by the Hamlin Funeral Home.

Mr. Winslett, a stock farmer, died Friday about 9:30 a.m. at his Neinda community home where he had lived for the past 56 years.

Born June 26, 1893 in McGregor, Texas, he moved from there to Jones County and was married to Lola Lee Stewart in Hamlin on September 24, 1917.

Survivors include his wife; three sons, Floyd H. Jr. of Amarillo, Glenn of Hugo, Okla., and Fred D. of Snyder; one daughter, Mrs. Mary Lee Dodd of Odessa; two brothers, Tom of California and Ike of Ark., and six grand children.

## Singing Sunday

The Jones and Fisher County singing will be held at the Foursquare Church Sunday at 2:00 p.m.

**NEW TRACK LAYOUT**—Track coach Jimmy Vaughn and several other volunteers, both high school boys and others, are working this week on placing a curb around the high school track course. Swinging the sledge above is Floyd Wolf as Vaughn holds the form in place. Hamlin individuals and organizations are donating supplies and money for the work.

### Tristle Print Exhibit Sponsored Here

The Tristle Prints exhibit sent out by the General Federation of Women's Clubs illustrating the development of American painting, this, one of the most sought after exhibits given to the club women of America was displayed Friday at the school building under the auspices of the Woman's Literary Club, of which Mrs. Ed Reynolds is president.

Last week the station agent at the Orient changed hands. Mrs. Hill was checked out Feb. 8, and J. W. Butts of Wichita, Kansas being checked in as the new man. Mr. Butts was formerly with the Rock Island road and no doubt will serve the local station with credit. The Herald learns that he is

fond of good milk cows and poultry, therefore we may expect him to want a home suitable for the keeping of his Jersey, his Holstein and his 100 White Leghorns.

How the dentist relieved Teddy -- Teddy was suffering from an aching tooth, and the rest of the family was suffering from Teddy's howls and lamentations. Much against his will the little chap finally accompanied his mother to the dentist.

"Did you get much relief when you went to the dentist's?" I asked him that evening.

"You bet I did," responded Teddy, "I got relief as soon as I got there cause the dentist wasn't home."

## 25 YEARS AGO—

### Chamber of Commerce Banquet Held

As per announcement last week the annual banquet of Hamlin Chamber of Commerce was held at the Methodist Church Sunday night of this week.

The ticket selling committee disposed of 127 tickets, and with the out of town guests there were about 125 places occupied at the tables despite the very cold weather.

At an approximate cost of \$7,500 a heroic size statue of Anson Jones will be placed in Anson. The Texas Centennial has already authorized the appropriation for the statue.

The Herald is informed by John Green that he has made all arrangements to issue the Texas Auto Driver License at his place of business next door to the Dillard Hotel.

The Swedonia Home Demonstration Club made over a mattress at Mr. H. J. Jackson's February 7. The work was done under the supervision of Mrs. B. L. Kemp of the McCaulley Club.

Making up the cast for the Junior play, "Molly Rushes In" are: Inez Howard, Gilbert Freedman, Bula Lou Burns, J. B. Terrell Jr., J. T. Sipe, Ray Humphrey, Fleda Elkins, Lilla Bell Moore, Fred Bunson, Irma Locke, Lorraine Sipe and John F. Green.

## 15 YEARS AGO—

### Lions Told Bats to Need New Building

It was suggested Tuesday noon at the Hamlin Lions Club that someone in town volunteer to build a brand new home for the town's bats.

When Hamlin's new school building is erected, the thousands of bats occupying the ancient house now standing will need a home and at least a few comforts of existence.

Most of the bats in the present building are aged creatures, and to turn them out in the cold cruel world would indeed be torture.

## STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN, TEX. -- House of Representatives, which must make the first run at putting together a money-raising program, is finding its path landmined with factional feuds.

Hard feelings, largely because of the speaker race, has reached Hatfield-McCoy proportions between liberals and conservatives. Until new events jar the factions into realignment, action and agreement on anything of importance is unlikely.

House Revenue and Taxation Committee began gradually by passing out two unopposed bills to speed up and cut down the paper work of tax collecting. More sand will be stirred up with the February 15 hearing of a bill to levy a two-factor franchise tax on interstate corporations.

Two other committees are the focus of tax interest. Proposal for the referendum on

broad-based taxes at the April 4 election was referred to State Affairs Committee. Its chairman, Rep. Bill Hollowell of Grand Saline, has shown no great eagerness to get it.

Constitutional Amendments Committee, however, moved with unusual speed. It passed out a measure that would allow the people to vote on whether they want a constitutional ban on state income and payroll taxes.

Among the new money measures introduced are a 2 per cent sales tax on items costing more than \$50 and 3 per cent excise tax on utility companies selling gas, electricity, telephone or telegraph service. Both are by Rep. Tony Kiorloth of Sherman.

**WATER BILLS HEARD --** Two bills aimed at making more money available for water projects met no opposition before a House committee. One would raise from \$5,000,000 to \$15,000,000 the maximum amount the State Water Development Board could lend for a water project. Another would allow the Water Board to invest funds on hand in government securities.

Both bills, which were recommended by Gov. Price Daniel's water advisory committee, were sent to subcommittee.

**INVESTIGATING PANEL APPROVED --** House State Affairs Committee unanimously approved a resolution to create a new House General Investigating Committee.

Previous investigating committee, which made headlines in Beaumont and Amarillo, expired with the start of the new session.

Col. Homer Garrison Jr., Director of the Department of Public Safety, and numerous Jefferson County people appeared in favor of a legislative group to watch for places where local law enforcement fails to cope with crime.

**Stamford to Get 24-Unit Motel**  
Named to the committee by Speaker James Turman are: Rep. Charles L. Ballman of Borger, chairman; Reps. Bill Hollowell of Grand Saline, De Witt Hale of Corpus Christi, Bill Pieratt of Giddings and Menton J. Murray of Harlingen.

**MORE ELBOW ROOM --** Building of new state buildings is relieving the always-cramped conditions under which the legislature has had to work.

Under a bill adopted by both houses, the Senate will get the third floor Capitol space vacated by the Court of Criminal Appeals. House members are to have offices where the Supreme Court used to be. Both courts and the attorney general have moved over to the new Courts Building.

When the new state office building is completed, the State Pardons Board and Agriculture Department are to move there, leaving still more Capitol space.

Also under way finally is the new state insurance building. Contracts totaling 31,227,000 were let by the State Building Commission.

**MENTALLY RETARDED SCHOOL OKAYED --** Long-range plans to build a new state school for mentally retarded persons in the Gulf Coast area gained Senate State Affairs Committee approval.

More than 1,200 children are now on the waiting list for state school space, Raymond Vowell, State Hospital Board executive director told us committee.

## REPORT FROM AUSTIN . . .

By REP. LEON THURMAN

The fifth week of the Legislature is drawing to a close, and things have really begun to move. All the committees have been meeting and bills are beginning to be reported from the committees to the House floor.

The State Affairs Committee as of the 8th, voted out a Resolution introduced by W. T. Oliver of Port Neches, to keep the General Investigating Committee of the House for another two years. Probably the

Investigating Committee in the past has done a lot of good and will probably do a lot of good in the future.

Some investigations held by the Investigating Committee probably should have been handled locally by the local police officers and the local jurors; however, cases where this cannot be done or where local authority will not take over, the House Investigating Committee does a real good job.

The Governor is having a meeting of some of the farm leaders to discuss taking the money from the Colson-Briscoe Farm-to-Market Program and putting the money in the General Fund and the \$30 million for the Farm-to-Market out of the Highway Fund. This sounds like a good idea because it would help the general fund of the State Highway.

**IN THE MIXING BOWL --** Among the now hundreds of measures on the legislative assembly lines are proposals to:

Require state agencies to use American-made compact cars, State Police excepted. By Rep. Paul W. Curington of Corsicana.

Outlaw use of trading stamps. By Rep. Bill Rapp of Raymondville.

Provide for arbitration committees to iron out the wage-hour disputes between firemen and city officials in towns of 10,000 or more. By Reps. Obie Jones of Austin and Robert Hughes of Dallas.

Allow part of the \$400,000-000 permanent school fund to be invested in corporate securities, the same as the University permanent fund. By Sen. Hubert Hudson of Brownsville.

Protect farmers from the misbranding of commercial fertilizers. By Sen. George Moffett of Chillicothe.

Provide up to 10-year prison terms and up to \$10,000 fines for unauthorized or fraudulent use of credit cards. By Rep. Charles Sandahl Jr. of Austin.

Allocate \$177,000 a year for two years to soil conservation districts to use in combating water and wind erosion. By Sen. Jarrard Secrest of Temple.

Increase to five years in prison the penalty for selling narcotics. By Sen. A. R. Schwartz of Galveston.

Require all meetings of all boards, commissions, committees of the Legislature and all other agencies to be open to the public, with exceptions. By Rep. Bill Rapp of Raymondville.

The Governor is having a meeting of some of the farm leaders to discuss taking the money from the Colson-Briscoe Farm-to-Market Program and putting the money in the General Fund and the \$30 million for the Farm-to-Market out of the Highway Fund. This sounds like a good idea because it would help the general fund of the State Highway.

We must be very leary in letting have charge of the money and let them allocate it as they want; it might jeopardize our farm-to-market program at the present time unless we can be assured that the farm-to-market program will not be jeopardized, we must contend and insist on the program remaining as it is.

The farm-to-market program in the rural areas has been a tremendous boost to people getting to market places and also for schools to transport their children.

It seems that there has been more legislation introduced in this session than in the previous sessions, and all legislation must be screened thoroughly to see how it affects the people of the State. This is our task, to screen all bills and look after the people of our district.

It seems that the State redistricting plan will add several new counties to the District that we now represent. We do not know just how this will finally be worked out, but it is our plan to try to keep from being attached from any larger county and to keep a District where each county will be sure of being represented.

There is much pressure being put on some members for a general sales tax this session; however, I do not anticipate a passage of a sales tax, and feel sure that a payroll tax will not be passed. This being the case, it must be in the select-

ive tax being imposed on certain selective items.

The Revenue and taxation Committee has been meeting regularly, and they reported one or two tax saving measures to the floor. Of course, the tax load is to be born by the people of the State.

Next week the Legislature will be much busier than the former weeks, and possibly some of you will have more interest in legislation being considered. If so, and you would

like to have a copy of a particular bill, we will send one, with our description the bill.

# BLAKLEY AND TOWER LEAD IN POLL TAKEN IN SENATE RACE

Senator William A. Blakely cent to the attorney general's Dallas and John C. Tower of 13. Wichita Falls are the leading candidates in the U. S. Senate race according to a private poll conducted by the Belden Associates, well known Texas research organization.

The statewide survey announced Saturday also showed Blakely is the favorite in several possible runoff combinations.

Attorney General Will Wilson of Dallas ranked third in Blakely's poll. State Senator Harry B. Gonzalez of San Antonio was fourth and Congressman Jim Wright of Ft. Worth was fifth.

Blakely leaders said the poll shows out their contention that Blakely, now serving an interim term in the Senate, is "the leading Democrat in the race." They declared he will "substantially lead Republican Tower or any other candidate."

In the event of a runoff between Blakely and Tower, the poll showed Blakely leading with 47 per cent to Tower's 30. Twenty-three per cent of the voters said they were undecided.

In a Blakely-Wilson runoff, Blakely would lead with 40 per

If Blakely and Wright should be in a runoff, Belden's poll showed Blakely would win with 54 percent. Wright's runoff strength was 15 per cent; undecided, 31.

One of the interesting findings was the relatively small undecided vote for this period in a statewide campaign.

In a comparison of all candidates' names on a "recognition" basis, Blakely and Wilson were equally well known. Eighty-one per cent of persons polled were familiar with Blakely's name; 81 per cent with the name of attorney general, who has just recently made his third statewide race for that office. Tower was next in "voter recognition" with 76 per cent; then Gonzalez, 60; Wright, 47; Maury Maverick Jr. of San Antonio, 46. Other candidates showed little or no recognition.

## Finance Company Honors John F. Green Motor Co.

Carl Sims, Manager of the Abilene office of Commercial Credit Corporation, announced that John F. Green Motor Company, local Dodge dealer was presented a special anniversary award by this national sales finance institution in recognition of 25 years of business association.

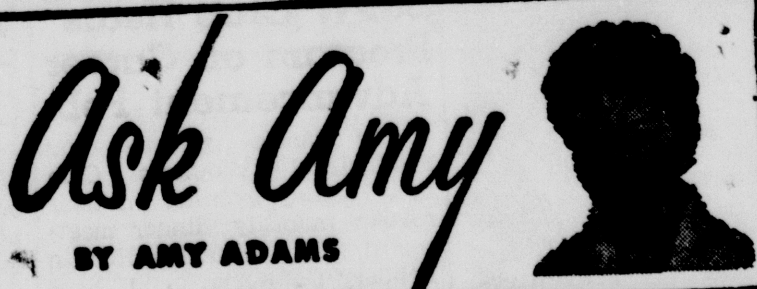

L. H. McCord, Vice-president -Division Sales Manager for the Commercial Credit Corporation, made the presentation to Green. In giving this award McCord stated, "Automobile dealers like John F. Green in their association with the big national finance companies have been a prime factor in enabling the average American the opportunity to become automobile owners. The volume of sales resulting has helped reduce the unit car costs by facilitating mass production. This has certainly helped improve our standard of living and made for a stronger national economy."

McCord commended the Green organization on their more than 25 years of service to the people of Hamlin.

Mr. Green was presented 25 red roses by the Finance Co.

## BABY SITTING IS A BUSINESS

RECENTLY I published a letter from a 14 year old baby sitter who didn't get paid for her services. Many letters arrived from young and old who also never collected. I hope the following advice will help you all in the future.

Baby sitting is a business and should be regarded as such. Parents usually employ a baby sitter who has been recommended. A sitter by the same token should do the same. The fee and the method of payment should be decided upon in advance. While there is no written agreement, there is a verbal agreement which the employers are morally obligated to fulfill. If they refuse to pay, there is little you can do to force payment. You can, however, spread the word around that they are not reliable which would make it difficult for them to dupe another baby sitter.

Dear Amy:

Maybe you can help me. Here is my problem. My sister, in her late fifties, married a no-good out-of-town man. His suit for divorce was heard April 18, 1960. He has never received a copy of his divorce from his lawyer, but married my sister April 22, 1960, anyway. I took it upon myself to get a copy of the divorce from the County Building and found that the divorce was not signed by the judge until April 27, 1960.

Please, are they legally married? I have been told that a divorce is not final until signed by the judge.

I informed my sister of this and now I am really a wreck as she writes me that I am trying to ruin her marriage. As it is, I am only trying to help her ... or am I?

H.M.V.

Dear H.M.V.:

Whether you are helping your sister or not is debatable! But a good policy to follow is not to interfere in issues which don't concern you personally. Since laws differ in the states, the legality of their marriage can only be decided upon by a judge.

Dear Amy:

I've got problems. Last year I had an accident and lost three toes. I'm not bad looking or overweight. Lots of boys seem to notice

me but I'm afraid if they ever find out about my feet they won't like me. I can't wear high heels and feel funny when I go swimming. Have you any suggestions?

Johnnie

Dear Johnnie:

I have one very good suggestion. That which cannot be corrected must be accepted. Boys who enjoy your company will continue to like you regardless of your toes. There are few who are not handicapped one way or another. Your only defect is in your thinking!

Dear Amy:

I would like to say to the lady who signed herself 'Just Wondering' that you cannot always judge gentlemen friends by their church attendance.

I, too, was fond of an elderly man who was every inch a gentleman and an ardent 'church goer' only to find out he had a wife and was not divorced.

Another Wondering Widow

Dear Amy:

I went to the store to get a can of milk, a bottle of pop and cough drops. All together, I had 55 cents. I put 25 cents on top of the pop. 25 cents on the milk and 5 cents on the cough drops so I wouldn't get mixed up. The lady at the store gave me 6 cents change for the milk and 8 cents for the pop. When I got home, it came to me she had cheated me out of 5 cents. I went back and told her and she said she gave me 13 cents from the pop and 6 cents from the milk. But I told her she did not give me 13 cents; she only gave me 8.

She has cheated me so much, and all the other little boys and girls. I don't think it is fair to us kids. It's not so bad about the 5 cents but it is just the idea of cheating.

Last Time Being Cheated

Dear Being Cheated: To avoid being cheated in the future, count your change when the shopkeeper hands it to you and be sure it's correct before you leave. Tell all your little friends to do the same.

## Hamlin Woman's Mother Dies Friday, Mother Rites Held

Mrs. W. L. Morrow, 82, mother of Mrs. J. J. Crawford of Hamlin, died Friday in the Callan Hospital at Rotan following an illness of several months.

Funeral services were held in the First Baptist Church of Rotan Sunday at 3 p.m. The Rev. Huron Polnac, pastor of the McCaulley Baptist Church and the Rev. Neal Sheppard, pastor of Hillcrest Baptist Church of Rotan were the officiating ministers.

Burial was in the Rotan Cemetery under the direction of the Weathersbee Funeral Home.

Mrs. Morrow was a long time resident of Fisher County and prominent land and area estate owner. She was the daughter of the late Mr. and Mrs. H. L. Smith and the last surviving member of her immediate family.

She was married to Mr. Morrow November 16, 1887, in Jones County. They moved to Fisher County and settled east of Rotan in 1900.

Mr. Morrow died March 2, 1950 and a son, Ira, died May 14, 1956.

Survivors include four sons, Raymond of Dallas, Ruple, Preston and Justin, all of Rotan; three daughters, Mrs. C. C. Carter and Mrs. Forrest Hunsaker of Rotan, and Mrs. Crawford of Hamlin; 28 grandchildren and 34 great-grandchildren.

## 1960 DEATHS IN TEXAS TOPS PREVIOUS 25 YEAR'S TOTALS

Texas deaths during 1960 showed the most substantial increase in 25 years according to provisional estimates compiled by the State Health Department's Records and Statistics Section.

Deaths for 1960 were seven percent above the 1959 figures with comparative death rates of 821.2 per 100,000 population for 1960; and 782.9 deaths per 100,000 for 1959.

Over two-thirds of the increase in Texas deaths occurred during the first three months of 1960. This was during the peak period of last year's influenza outbreak.

Health Department statisticians point out that during the first three months last year, there were significant increases in the number of deaths from influenza, pneumonia, and heart diseases over the corresponding period during the previous year.

Because of the rapidly increasing number of elders in the State population, Texas authorities were not alarmed at the sharp rise in Texas deaths reflecting the overall

trend for the entire United States during 1960, including the startling increases experienced during the early months.

Still the number-one killer, heart disease, accounted for 26,000 of the total 79,000 deaths in Texas during 1960.

In second place on the 1960 statistical sheets, was malignant neoplasms (cancer), which claimed over 11,000 Texas lives.

On the credit side was the noticeable drop in the motor vehicle accident death rate from 26.9 per 100,000 in 1959 to 24.5 per 100,000 population in 1960. All other accidents showed a slight rise in the death rate over the preceding year.

While the total number of live births for a single year was the second highest in history, the birth rate continued its slight decline over the past few years.

There were nearly 249,000 live births in 1960. However, there were 72,000 infants and 4,200 fetal deaths during the same period. (A weekly feature from Public Health Education Division, Texas State Department of Health.)

## Here's the fastest and easiest way

FIRST, give the operator the Area Code for the city you want to call.

NEXT, tell her the telephone number you're calling.

LAST, when the operator asks, give her the number you're calling from.

It's easy and fast. For example, just say, "Area Code 214, RI 2-1432," and then when the operator asks your number, say, "KL 5-2368." You'll not only save time yourself, but help speed along your call as well.

**Southwest GROWTH**

Excellent yardstick to determine plant location

In the past decade a quiet revolution has taken place in the Southwest. Suddenly the region is booming with growth. In addition to a population increase 25% higher than the nation...

...personal income rose over 61%  
...retail sales increased 64%  
...value added by manufacture up 65%.

This phenomenal growth means there is profitable opportunity here for industry today, and above average potential for the future.

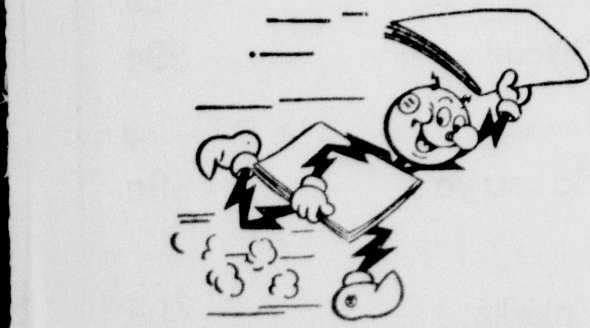

As an industry operating in and serving the CENTER OF THE SOUTHWEST, we benefit from and contribute to the growth of the area. Our KWH increase of 165% in the past decade is a vivid picture of the industrial opportunities. Because we are a part of the area, we have information about markets, labor, taxes, climate, distribution, community attitudes and growth factors. We are prepared to compile market data, business facts and plant location studies designed for your specific needs.

Let our area representatives start to work for you in confidence and without obligation.

## INVITING NEW INDUSTRY

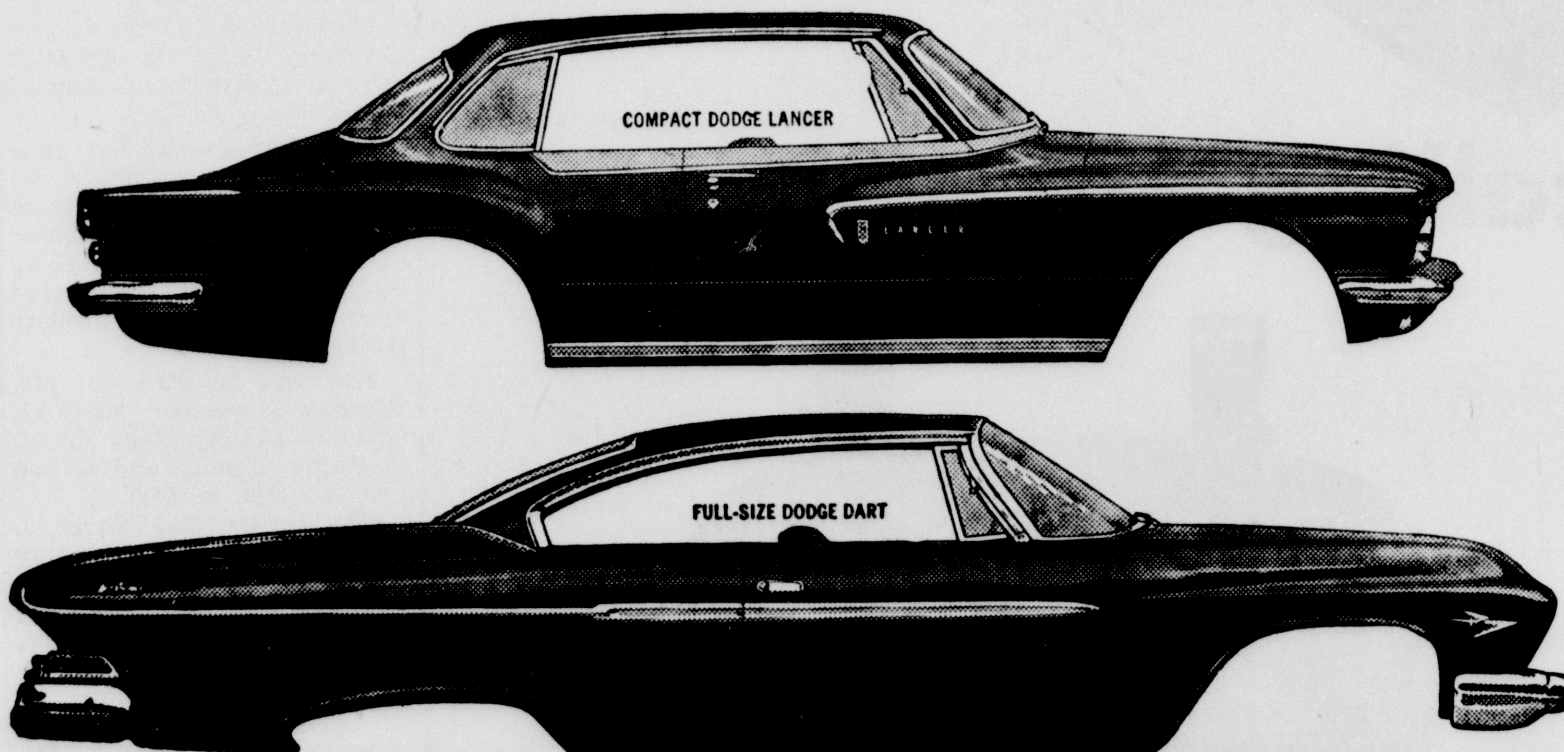

is one way we work to help build this community

THIS year, West Texas Utilities Company is expanding its area development activities because we believe the growth opportunities ahead demand it.

We believe our service area faces growth unlimited because we are the center of the Southwest, and the Southwest is growing faster than the Nation.

This is the kind of story we are telling American industrialists in our national area development advertising. It is being supplemented by colorful folders depicting the industrial advantages of the area, and by personal visits which our representatives will make during the year.

Through the expanded area development program, we are working to help build this community, because as the Southwest grows, so should West Texas Utilities grow... and the communities we serve.

# FAIRVIEW NEWS--

By MRS. ELMER JOINER

Several days of sunshine have led things out where folks in stir around again, and ter having to stay in so long, they are really enjoying it. Good crowds were at church services Sunday, including several visitors.

The Fairview church is taking on a new look inside, the workmen are ready to start untint the interior, the preliminary work all being finished. The house is about sixty ars old, so considering how ng it has been there it is ing to look very nice.

Mrs. Sharlot Gabriel has recently purchased the Daltonauty shop in Anson and is erating it under the name of harlot's Beauty Corral." e all wish her much success her business.

George Wainscott came home iday from the Stamford hosital, where he recently underwent surgery for the second me.

Mrs. Bill Newland's sister id family, Mr. and Mrs. Welon Lipsey and Joan, visited ith her from Friday night unl Sunday. They live at Mid-nd.

Beth, Darrel and Rickey raig spent Saturday night and unday with the W. W. Good-ains and attended church ervices both times Sunday.

Mr. and Mrs. Ben Parker of famlin, visited with Mr. and Mrs. Weldon Carter Thursday ight.

Mr. and Mrs. Buck Richie ave moved from Ozona, to their house on the Drake farm.

Mr. and Mrs. Clyde Whitaker of Shallowater, were week end visitors in our community. Among those they visited were Mr. and Mrs. Elmer Joiner and their relatives, Aaron Wat-son, and Mrs. Roscoe Green-way.

Mr. and Mrs. Winsong Gray and Dorothy went to Truby Friday night and took supper with his folks, the E. C. Grays.

Mrs. George Wainscott and Jimmy, visited with the Mel Jones Thursday night.

Mr. and Mrs. Jimmy Holmes of Midland were weekend visitors in his parents home, Mr. and Mrs. Flavel Holmes. They were also at church Sunday.

Mrs. Earl Kiser of Stamford, daughter of the O. L. Jenkins, was in church Sunday and spent the day with her parents. Mr. Kiser is on the plains farming. They will move to the town of Plains, in Yoakum County, in the near future, where he will engage in farm-ing.

Other visitors in the Jenkins home Sunday were Mr. and Mrs. Alvis Bond, Mike, Lanita, Diane, and Marshall.

Mr. nd Mrs. Earnest Henry went to Snyder Saturday to visit their sons family.

The many friends of Mrs. Roy Watts were sorry to hear that she was in the hospital again. The details were not known but it was reported that she had surgery for vari-cose veins, we all hope she will soon be much improved.

Last weekend, Mr. and Mrs. Henry had their son, Mr. and

Mrs. W. C. Henry and daughter, Mrs. J. R. Edwards, all from Elgin, Texas.

Mrs. Winsong Gray left Sun-day to spend the week with her daughter, Mr. and Mrs. Doyal Bills, in Houston.

Mr. and Mrs. Mel Jones went to Albany Sunday, to visit her brother, Mr. and Mrs. John Carter. Their sister was com-ing from Grand Prairie and bring their mother, so they had a family get together.

Mr and Mrs. Joe Ford ate dinner with their son, H. L. Ford and family Sunday, then Sunday afternoon they all at-tended the dedication services at the First Methodist Church in Stamford, of the Amerson Chapel. The church has been remodeled and this chapel was built by Mrs. Price Amerson in memory of her late husband.

Winson Gray and Dorothy, ate dinner with Mr. and Mrs. Fred Rosenbaum Sunday. Also visiting in the Rosenbaum home were Rev. and Mrs. Doyle Combs and children. Sunday afternoon, Rev. Combs, Mr. Gray and Mr. Rosenbaum, visited with George Wainscott and Mr. and Mrs. Roscoe Greenway

Visiting Mr. and Mrs. Elmer Joiner Sundy afternoon were: Mr. and Mrs. Jimmy Joiner and children, Mrs. Buck Joiner and children.

Jeannie Joiner spent the weekend with her grand-parents, and was a visitor at church Sunday.

Mr. and Mrs. W. L. Fletcher are both able to be home now, they have had several of their children visiting them the last few days, but this reporter failed to learn which ones.

Rev. Doyle Combs started to work in Ft. Worth last Mon-day. They have purchased a house in Fort Worth and will move on Tuesday of this week. They are moving there so he can enter the seminary, he will continue to pastor the church, coming back on week-ends.

Mr. and Mrs. Elmer Joiner entertained the 42 players Fri-day night. Those attending were: Mr. and Mrs. Ralieg Bond, Mr. and Mrs. Fred Rosenbaum, Mr. and Mrs. Flavel Holmes, Mr and Mrs. Mel Jones, and the Joiners. They really had some hot games and it has helped pass away some of the bad weather, but all agreed that once the fields get dry once again the men would be so busy they wouldn't be thinking of going to parties.

Mr. and Mrs. Elmer Joiner and Jeannie visited Mr. and Mrs. Woodrow Goodwin and Linda Saturday morning.

Mr. and Mrs. N. L. Crowley recently visited in the home of Rev. and Mrs. Oran Lewis and family of Robert Lee. Rev. Lewis is a forme pastor of the Faith Methodist Church.

Visiting in the home of Mr. and Mrs. Charlie Carter were their son and family, Mr. and Mrs. Charles Carter of Abilene.

## 'GOLDEN RULE' SUGGESTED AS AID FOR HIGHWAY SAFETY

The application of the "Golden Rule" has recently been suggested to drive home our moral responsibility with re-gards to highway safety. The idea makes good sense, in the viewpoint of J. O. Musick, General Manager of the Texas Safety Association, but the citizen driver must also be armed with some hard facts.

In a recent survey, drivers exempted themselves from the likelihood of an accident for these four reasons: (1) They always look out for pedestrians, (2) They drive fast only on straight highways when the weather is clear and dry, (3) Their car is in good mechanical condition, and (4) They are experienced drivers.

Now let's look at the statisti-cal record: (1) One-third of the pedestrians killed (over a given year) were jaywalkers, i. e. they pop out from behind parked cars; (2) 76% of the vehicles involved in accidents were traveling straight ahead, and four out of five accidents occurred in dry weather and on dry roads; (3) Studies sup-port the fact that most acci-dents involve cars with no apparent defects, and (4) The drivers with less than one year's experience constitutes 7 percent of all motorists, yet were in only 3.4% of all fatal accidents recorded.

The Texas Safety Association

whole-heartedly supports the Golden Rule application in our approach to the highway safety problem, but adds this one suggestion: Good driving calls for more than good sense -- it calls for good attitude.

## J. Carter King To Direct Sales Tax Drive in Area

J. Carter King, Albany rancher and insurance man, has been appointed a member of the executive committee of the "Citizens for a Sales Tax" campaign and will direct activi-ties in 13 counties in this area for enactment of a broad-based sales tax to solve the State's financial woes and also pro-vide financial assistance for education, welfare and other State needs.

King, who is president of the West Texas Chamber of Com-merce and chairman of the State Parks Board, will super-vise activities in State Sena-torial District 24 which covers Borden, Dickens, Fisher, Gar-za, Howard Jones, Kent, Mitchell, Nolan, Scurry, Shack-elford, Stonewall and Taylor Counties.

His appointment was an-nounced this week by Tom Sealy, Midland attorney who is State chairman of the "Citi-zens for a Sales Tax." Former

State Senator Searcy Brace-well of Houston is vice chair-man.

Formation of the statewide committee, with each sena-torial district of the state hav-ing a member, is the outgrowth of a meeting of civic and busi-ness leaders in Dallas last fall.

"Members of the committee are convinced that a majority of Texas citizens prefer a sales tax as the best way out of a bad financial crisis in State government," Sealy said.

"It is not the purpose of this committee to try to dictate to the Governor, the Legisla-tor or to the people of Texas," he continued. "We respect the views of those who favor a-nother solution.

Kindness is a language the mute can speak and the deaf can hear.

## Sweetwater JCs Announce Dates for 3rd Snake Roundup

Sweetwater Jaycees an-nounced March 10, 11 and 12, '61, as dates for the 3rd An-nual Rattle Snake Roundup.

Topping the successful 1960 hunt seems almost impossi-ble. A fantastic 8761 pounds were weighed in at the stations last year, and several hunters failed to have their snakes checked.

Hunters doing preliminary checking in the field indicate that they are to be plentiful again this year -- although the size may be smaller.

Plans in 1961 call for both cash prizes and trophies in some six categories.

Hunters will again register at the Baker Hotel and secure their official hunting papers.

The huge Sweetwater Coli-seum will again serve as weigh-ing and display point.

HERE'S PROOF YOU'LL SAVE MORE WITH A '61 FORD

COSTS LEAST TO BUY COSTS LEAST TO DRIVE

Here's how the '61 Ford takes care of itself  
Lubricates itself—You'll normally go 30,000 miles between chassis lubrications (which cost only about \$4.00 and take about 30 minutes) because Ford has replaced conventional grease fittings with a new-life lubrication system.  
Cools its Own Oil—You'll go 4,000 miles between oil changes because Ford's Full-Flow oil filter gives you filtration through three... trapping more dirt than any other type of filter used.  
Adjusts its Own Brakes—Your Truck Size brakes adjust themselves—automatically.  
Guards its Own Motor—Ford motors are double-encased and shielded—to last 3 times as long as ordinary motors.  
Protects its Own Body—All vital underbody parts are specially processed to resist rust and corrosion, even to penetrating the body panels beneath the doors.  
Takes Care Of its Own Flash—New Diamond Lubric Flash never needs waxing.

## TIPS for OUTDOORSMEN

### A Few Hunting Don'ts

Never say anything against your hunting partner's dog. Also, don't pat it or feed it. And don't give the dog orders.

If you kill a bird, tell the owner . . . not the dog. Follow these don'ts and you'll keep the respect and friendship of your partner.

### For Better Shooting

As you get older the open sights of your rifle get fuzzier and won't stay on the target. You find yourself missing the target often.

Of course, this can be overcome by using scope sights. But often a scope isn't feasible, or you may not like scopes.

So, the next best thing to do is to switch from open to ring, or peep sights. You won't have to squint, and your target is again clear.

Better change the front sight at the same time. Replace with one that has a higher post. Most rifles are drilled to receive peep sights, so you can install it yourself.

### Be careful with Bullets

Carrying loose ammunition around in your pocket is foolhardy. The little .22 cartridges are especially dangerous. They are small and easily lost, and may turn up in the open fireplace with a bang — literally.

### To Clean Ducks easily

Next time you scald ducks to remove the feathers, try using a home detergent in the water. The feathers come off easily and quickly.

### Remember The Dogs

Hunting dogs, especially setters, have a mighty hard time in hot weather, so don't forget

to give yours plenty of shade water at all times. Many sportsmen are inclined to neglect the pooch during off-season.

### Smoking Out Coons

Don't smoke coons, possums, or squirrels out of dens or hollow trees. You can cause a dis-

THE HAMLIN HERALD

Thursday, February 16, 1961

astrous forest fires by doing so. Instead, tie a wad of cloth on a stick and soak in common household ammonia. Thrust ammonia-soaked end of stick in tree hollow or den and the occupant will hustle out in a hurry.

### Patching Holes in Boots

An enduring emergency patch for that hole in your rubber boot can be made by heating (not to hot) enough common tire tape to do the job, and applying to the dried surface of the boot. It lasts!

## PIPERS TAKE TWO GAMES FROM SPUR, WIN DISTRICT CROWN

### Hamlin Wins Title With Spur Victory

Paced by Cecil Robinson, the Pipers mauled Spur, 69-44, Friday night in a district basketball game that gave them the 6-AA crown.

Robinson scored 18 points to lead the Pipers in scoring. Jim Paronto led Spur with 16 points.

Coach Neil Laminack cleared the bench for the final quarter with a 25 point lead. The Pipers stopped the Spur girls, 58-51. Jeanette Jenkins poured 26 points in for Hamlin. Janis Powell led Spur with 38 points.

To make it a clean sweep, the boy's B team sank Spur, 37-27 with Lanny Ford sinking 14 points for Hamlin. Mac Bell was high for Spur with 15 points.

Hamlin: Robinson 8 2 18; Cade 4 5 13; Bond 4 0 8; Brandon 5 0 10; McCaulley 3 3 9; Austin 2 2 6; D Newberry 1 0 2; Duncan 0 3 3; Totals 27 15 69.

Spur: Paronto 7 2 16; R. Walker 2 7 11; Albin 1 0 2; Totals 20 6 46.

F. Walker 2 1 5; Morrison 4 0 8; Thompson 0 2 2; Totals 16 12 42.

## Robinson Leads Pipers Over Spur

With the district race already won, the Pied Pipers sank the Spur Bulldogs in the final district basketball game for both teams, 75-46. The game was played at Spur Friday night.

The Pied Pipers won the district championship last Friday night.

Cecil Robinson scored 22 points on nine field goals and four free throws. Don Morrison was high for the Bulldogs with 19 points.

Spur won the girl's game, 64-52, with Sandra Foreman sinking 37 points for the hosts. Jeanette Jenkins led the Pipers with 33 points.

The girls must win over Anson Friday night to stay in the race for district. A win will throw the district into a three and Hamlin. A loss will give the title to Anson.

Hamlin: Robinson 9 4 22; Cade 8 2 18; Bond 0 2 2; Brandon 4 2 10; McCaulley 4 0 8; Austin 6 3 15; Totals 31 13 75.

Spur: Morrison 9 1 19; Paronto 4 3 11; R. Walker 3 0 6; Albin 0 2 2; F. Walker 4 0 8; Totals 20 6 46.

or did he "pack" it to the left instead of to the right.

Their second argument was that Burleson's vote against Rayburn endangered the future of Dyess Air Force base in that Burleson would not be in a position to get favors from the administration. Should the future of Dyess be for the good of Abilene or for the nation and shouldn't Burleson represent all of the people of his district rather than just a few in Abilene?

Since most of the people in Burleson's district seem to be conservative for the most part, as well as Burleson himself, should he see his conscience for a few extra dollars for Abilene?

Along with the rest of the people of Hamlin, I would like to express my congratulations to the Pied Pipers on winning the district basketball championship all the way in the playoffs.

Those of you who have turned in news items during the past few weeks may have noticed that my wife, Barbara, hasn't been on the job. She quit!

She is still working part-time, but she decided that she wanted to be home with our 3-year old son during the day and the older ones after school.

Betty Brown, who has been working for us since last fall, has taken over the writing duties formerly handled by my wife.

Now I don't have someone to push off a lot of those things I should do myself, but things are a lot happier on the home-front, which is probably better.

"NORTH TO ALASKA"—Fabian, John Wayne, Stewart Granger, Capucine, celebrate victory over claim-jumpers in rip-roaring gold-rush romance, "North to Alaska" a Henry Hathaway production opening Sunday, at the Rogue Theatre.

## JOHN WAYNE STARS IN 'NORTH TO ALASKA' AT ROGUE SUNDAY

John Wayne, six foot four-inch 220 pound athlete starring in "North to Alaska," new 20th Century-Fox CinemaScope DeLuxe Color epic of Alaska gold-rush days, starting Sunday at the Rogue Theatre, is a man's man on movie set.

T veteran of some of the biggest action money-makers in film history, Wayne believes that an actor ought to know as much about the mechanics of picture production as every other member of the crew. Producer of some 18 independent films of his own, he is reputed to be an expert on camera techniques, lighting, staging and directing. In between his own ventures as a movie maker he "rests" by taking acting assignments with the major studios.

In "North to Alaska" Wayne plays the lead roll of hard-boiled big-hearted gold-lust-adventurer Sam McCord, a partner in a hard-won mining stake at Nome in the year 1900. Capable of fighting for everything he wants, he comes into conflict with his partner and best friend in a contest for the love of a honky-tonk dazzer named Michelle (Capucine). Wayne delivers one of the most vigorous and realistic performances of his career, as he struggles to keep a fair balance between his own roaring ambition as gold-miner and lover and his loyalty to his long-time buddy George Pratt (Stewart Granger) with whom he has shared the dangers, the crises, the heartbreak and the victory of (fortune-hunting in the snow-bound wilderness.

## 250 TEACHERS AND GUESTS HEAR DR. JAMES JAUNCEY

The best government is the least with the private life's of its citizens, according to James H. Jauncey, pastor of the First Christian Church of El Paso speaking before the 250 Jones County teachers and their guests here Monday night.

Dr. Jauncey, holder of ten academic degrees, said this is the reason for this country's greatness and the reason it is more progressive and has more freedom.

Too much security causes trouble in the individual, rather than making them happier it makes them unhappy, he told the group. Too many of us today have lost our challenge in life that is necessary for our success in our work and in our life, he said.

Meeting in the Hamlin High School Auditorium, the teachers elected eight delegates to attend the district meeting at Vernon in March. Mrs. Weldon Johnson was elected from here.

Doris Prewitt, president of the association, presided at the business meeting.

Dr. Jauncey was introduced by Gage Hunt, superintendent of the Anson public schools.

## Farm Bureau Membership Drive To Close Monday

Farmers are currently engaged in a number of crucial legislative battles, both in Austin and Washington, and the only way they can win is by joining together to gain strength by organization, says K. G. Martin, president of the Jones County Farm Bureau. The local county Farm Bureau is staging a membership drive now.

Every farmer and rancher in the county is urged to join the local organization during the present membership campaign, the county Farm Bureau leader said. The local drive will end Monday, Feb. 20th, at 5:00 p.m.

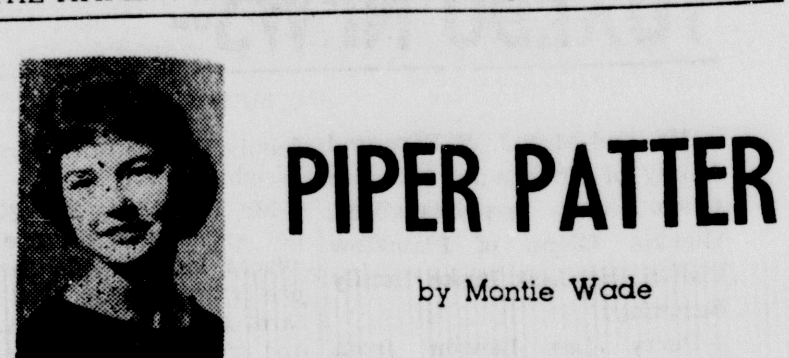

## Sagerton Rites Held Tuesday for Carl Teichelman

Funeral services for August Carl Teichelman, 80, were held in the St. Paul Lutheran Church in Sagerton Tuesday at 2:30 p.m. with the Rev. F. I. Scheffel, pastor, officiating. Burial was in Fairview Cemetery under the direction of Kinney Funeral Home.

The grandsons were the pallbearers.

Mr. Teichelman was born October 17, 1880, in Germany and came to the United States as a young boy. He married Augusta Unasch in Williamson County, February 5, 1902, and they moved to Sagerton in 1905. He was a retired farmer and a member of the St. Paul Lutheran Church.

Born to Mr. and Mrs. James Daughtry, a girl, Patti Jolynn, February 10 she weighed 8 lbs. 10 ozs.

## PIPER PATTER

by Montie Wade

Wayne Boatright and Janice Law, senior prince and princess, were crowned Hamlin High School Carnival King and Queen Saturday night in the HHS auditorium. The theme for the carnival was Valentines. The throne for the king and queen was red and white framed with a red and white picture window heart.

Danny Johnson, son of Mr. and Mrs. Harold Johnson, played "Cupid" and Janith Hartley, daughter of Rev. and Mrs. Leonard Hartley played "Little Miss Cupid." Ann Rabjohn, student council, was coordinator of the program. Clyde Hodnett acted as master of ceremonies. Prince princesses and duchesses for the coronation were Jimmy Cooper, Velta Hastings, Carolyn Ray, and Thersia Carlan-junior class; Dan Newberry, Arlene Waldon, Penny Ford, and Joyce Bingham sophomore class; Freddie Shave, Sue Johnson, Diane Bond, and Pam Smith—freshman class. Senior duchesses were Joren Hudspeth and Charlene Pendley.

Amounts received by the various classes and organizations participating in the carnival were seniors—\$148.85; juniors—\$125.19, sophomores—\$28.83; freshmen—\$5 16.93; student council—\$64.45; and

Some of the HHS seniors went to Anson Monday to hear Dr. Jauncey, formerly of Australia speak on Americanism. The Anson school invited seniors from the area towns to hear this inspirational speaker. Dr. Jauncey spoke at the Jones County Teacher's Meeting in the HHS auditorium Monday night.

The FFA will have a Mother - Daughter Banquet February 27. The girls that are members of FFA will be honoring their mothers. Mrs. Pittard from Anson will be guest speaker, speaking on her world tour.
